

THE MONTANA STATUE.

It Causes as Much Discard as the Apple of Gold.

The friends of Ada Rehan, Lillian Russell, Corn Tanner and other ladies not so well known to theater goers have recently engaged in a controversy that borders on the ridiculous, and it was all about the living model for the heroic statue of Justice which is to adorn Montana's state building at the Chicago World's fair. So soon as it was known that Miss Rehan, the leading lady at Daly's, New York, had been selected, Montana people insisted that one of their own beauties should have been selected, and Miss Lillian Russell flatly charged that she was offered the honor for \$10,000. Others say they could have had it for \$5,000.

The statue is to be eight feet high and of solid silver. The First National bank of Helena, Mon., furnishes the \$35,000 worth of silver needed, and will own the statue after the fair closes, while the sculptor, Mr. R. H. Parke, of New York, is to receive \$10,000 for his work. He laid down certain rigid requirements, including no less than sixty-eight measurements, for a perfect model, and appointed Messrs. G. O. Harvey and F. D. Higbee a committee to get said model. Verily that committee had a circus. It is needless to detail what they did, much more what they are charged with having done. Suffice it that they reported Miss Rehan absolutely perfect in every measurement save two, and in those diverging from the ideal but very little. So here are the proportions of a perfect figure, according to Mr. Parke—that is, of Miss Ada Rehan:

Head, 8 1/2 inches; face, 6 9-16 inches; nose, 3 3-16 inches; hand, 6 9-16 inches; breadth of shoulders, 17 1/2 inches; length of leg, 2 feet 9 1/2 inches. Seated she would measure 2 feet 11 inches from point of support to the top of the head; standing, 19 1/2 inches from sole of foot to top of knee; from top of head to bust line, 17 1/2 inches. There are, the committee adds, many ladies with figures as perfect, but Miss Rehan is peculiarly fitted to display the drapery. Her figure, says Mr. Parke, "is severely classic, with the single exception of the face, which may be said to be slightly Milesian."

Prince Torlonia.

Every reader of Thackeray will remember the Torlonia family, the head of which, Prince Torlonia, has just died. Few, however, are perhaps aware that he was of French descent. The grandfather from Auvergne was named Torlonie and followed the army of Napoleon into Italy. The son took advantage of the system of government which prevailed in the papal states, and amassed an immense fortune by farming the tobacco monopoly, and the grandson, whose death is noted, inherited the commercial instincts of his family and increased the capital which came to him by inheritance.

Politics a Costly Game.

The United States senate is called a "millionaire's club," and very often criticism is made on the prominence of wealthy men in public life. But the fact seems to be that none but the rich or corrupt can afford to hold office in these days of large expenditure. For example, it is said that the lord lieutenant of Ireland has a salary of \$100,000 per annum, but the expenses of the position are so high as to make a big private fortune a necessity to the appointee.

A Model Court House.

Laporte county, Ind., is to have a new court house that will be an architectural ornament to the county seat—also named Laporte—and a credit to the community. It will be dedicated next June and will represent an outlay of about \$300,000 when completed. The edifice fronts on Main street. Redstone brought from

THE LAPORTE COURT HOUSE.

the east shore of Lake Superior, backed by brick, comprises the material used in the walls. The main street front will be 114 feet, and the north and south fronts 144 feet. In height the main building will be 70 feet, while the tower will be 23 feet square at the base and 170 feet high. In the basement will be the machinery, furnaces, fuel and storerooms.

Offices for the county authorities will occupy the main floor. The second story will contain a magnificent main courtroom 52 by 62; smaller courtroom, 42 by 38; grand jury room, 25 by 26; petit jury rooms, 19 by 27 and 14 by 25; two judges' chambers, 15 by 12, another 14 by 25, and a witness room 10 1/2 by 31 feet. The floors will be of marble, tiling and wood, according to their use and location. Everything will be of the best material and all modern improvements throughout, so that Laporte county, the second in area in the state, the fifth in population and one of the wealthiest, will soon have one of the finest temples of justice in Indiana.

Rasy cheeks are not made from the outside. Pure blood, an active liver, good appetite and digestion—these are the things that give them. And these are the things that you get with Dr. Pierce's Golden Medical Discovery.

Pierce's Golden Medical Discovery. First and foremost and above all things, it purifies the blood. Not only in March, April, and May, when the sarsaparilla claim to do good, but all the year round, it cleanses, renews and invigorates the system, rouses every organ into healthful action, and drives out blood-poisons of every name and nature. For the worst forms of Scrofula, the most stubborn Skin and Scalp Diseases, such as Salt-rheum, Eczema, Tetter, Erysipelas, and all diseases or disorders caused by a torpid liver or impure blood, nothing can equal it as a remedy.

If any thing could, it would be guaranteed, just as the "Discovery" is. If it fails to benefit or cure, you have your money back. Is any thing that isn't sold in this way likely to be "just as good?" See that you get the genuine medicine.

DO YOU WANT TO ADOPT A BABY?

Maybe you think this is a new business, sending out babies on application; it has been done before, however, but never have these furnished been so near the original samples as this one. Everyone will exclaim, "Well! that's the sweetest baby I ever saw!" This little black-and-white engraving can give you but a faint idea of the exquisite original.

"I'M A DAISY."

which we propose to send to you, transportation paid. The little darling rests against a pillow, and is in the act of drawing off its pink sock, the mate of which has been pulled off and flung aside with a triumphant coo. The flesh tints are perfect, and the eyes follow you, no matter where you stand. The exquisite reproductions of this greatest painting of Ida Waugh (the most celebrated of modern painters of baby life) are to be given to those who subscribe to Demorest's Family Magazine for 1893. The reproductions cannot be told from the original, which cost \$400, and are the same size (17x22 inches). The baby is life size, and absolutely lifelike. We have also in preparation, to present to our subscribers during 1893, other great pictures by such artists as Percy Moran, Maud Humphrey, Louis Deschamps, and others of world-wide renown. Take only two examples of what we did during the past year: "A Yard of Pansies," and "A White House Orchid" by the wife of President Harrison, and you will see what our promises mean.

Those who subscribe for Demorest's Family Magazine for 1893 will possess a gallery of exquisite works of art of great value, besides a Magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter. It is a treasure to keep everyone posted on all the topics of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion Magazine, its fashion pages are perfect, and we give you, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2, and you will really get over \$25 in value. Address the publisher, V. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send 10 cents for a specimen copy.

BRIDAL VEIL PATENT FLOUR

Bloomfield Coal and Supply Company, AGENTS.

This Flour Has No Superior.
